

IMPACTIV8

Hi I'm Loren Bartley from Impactiv8

Loren Bartley is a Social Media Strategist with a passion for helping businesses grow using the power of social media in conjunction with lifecycle marketing automation.

Loren is a social media educator, coach, public speaker, podcaster, blogger, early adopter, self-confessed lover of all things geek-eske, and mother of three. She is also the creator of three online training programs: Social Media Success, FB Business Success NOW! and Linked Business Success.

Loren is the founder of Impactiv8, providing online training programs, bespoke social media presentations and workshops, one-on-one coaching, consultation and implementation services. You can also hear Loren on #BusinessAddicts The Podcast, which she is the producer and co-host of.
